**Notice: Under Wisconsin's Use Value Law, the assessed value of all agricultural land is based on its use value rather than its fair market value. The use value assessment system requires that the assessed value of agricultural land is based on the income that could be generated from its rental for agricultural use. When a person converts agricultural land to a non-agricultural use (e.g. residential, commercial, recreation, etc.), that person may owe a penalty. To obtain more information about the use value law or penalty, please contact the Wisconsin Department of Revenue's Equalization Bureau at (<http://www.dor.state.wi.us/contact/slf.html>) or by phone at 608-264-8131.*
